Dear Parents in our Catholic schools:

The future of our Catholic schools is vitally important to the future of our diocese. As the Superintendent of Schools and as a parent of four children in our schools, I want you to know that I remain committed to preserving this valuable asset of our Church for decades to come. That is why I want to invite you to join me in a "Superintendent's Town Hall Meeting" scheduled in your area on the dates listed below.

Wednesday, November 2<sup>nd</sup>  
6:30pm  
Bishop Grimes JSHS

OR

Thursday, November 3rd  
6:30pm  
Bishop Ludden JSHS

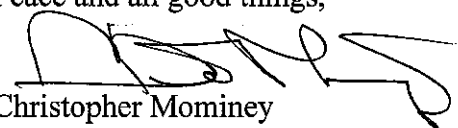

These town hall meetings are open to parents in all of our schools in the Western Region of our diocese. The format and content for each evening is the same so you need only consider attending one meeting or the other.

The purpose of our time together is twofold. First, I wish to share with you the results of the parent survey that was conducted in June of last year. Second, it is my hope that we can have a fruitful question and answer session which will guide me in future planning. Hearing directly from you, our parents who invest in this valuable education will be an important next step in shaping our Catholic school system of tomorrow.

My final request is a simple one: Please consider bringing a friend with you who may have children in the public schools. In these difficult economic times for our state I know that there are parents who are looking for a choice in education. I believe that Catholic schools offer the best of everything in education and faith formation so please help us spread the word. You are the best marketing tool we have!

Thank you again for all that you do to support the mission of Catholic education. Your sacrifice does not go unnoticed. Please be assured of continued prayers for you and your children during this school year.

Peace and all good things,

  
Christopher Mominey  
Superintendent of Schools
